

Brush Set 1496 Interior black

Flügger Premium is a line of all-round brushes for the quality-conscious craftsman. The brushes have a 2K handle for good grip. The fibres selected distribute the paint efficiently and ensure high productivity.

Properties

Interior brush set with super finish fibres, an ergonomic handle ensures a good grip. Flexible brush fibres for thick products, an excellent alternative to natural bristles. All-round brush set suitable for treatment of unbroken surfaces. 2-component material selection and stainless steel ferrule prevents discoloration and provides long life.

- Resilient brush fibres
- 2-component handle
- Interior set

Use

Painting of doors, door frames, baseboards, frames, casings, furniture and fixtures. Rinse the brush in water before use and work thoroughly into the paint. Store the brush in airtight packaging when not in use and avoid storing the brush in water.

Cleaning and Maintenance

Clean brushes using Fluren 59. Brush cleaner, Fluren 37 Basic cleaner or liquid soap. For non-aqueous paints, mineral turpentine can be used instead.

Usefull Information

Disposal: Remove as much paint as possible from brushes before they are disposed of as small, combustible waste items.

Good practise

Remove as much paint as possible from tools before cleaning. Do not pour liquid paint residue or cleaning fluid down drains. Clean the paint residue from the brushes right up under the ferrule. Paint residue under the ferrule and between fibres will coagulate and result in brittle bristles. Avoid straining the bristles during drying and store the brush dry.

Technical Data

Produkttype	Brushes
Brush	Synthetic
Shaft	2-component
Available Sizes	4 piece brush set
Metal type	Stainless steel
